### Parts Ordering for: HR-6-GS and HR-6-GC

Genuine Cummins Parts and service facilities are world-wide. There are more than 1100 Cummins Sales and Service locations in the principal cities of the United States and Canada, and more than 350 Sales and Service locations situated elsewhere throughout the free world. Each distribution outlet is thoroughly equipped with technical data, factory-trained mechanics, modern equipment and a full, adequate stock of Genuine Cummins Parts.

For quicker and better service, your parts requirements should be ordered from your nearest Cummins Distributor or Dealer. At any of the locations prompt, intelligent, courteous service is a basic trademark. Each is ready and eager to help in every possible way through personal contact or through the mail — at your convenience.

The satisfactory ordering and receiving of parts by the purchaser is greatly dependent upon the proper use of available information. In order that all avoidable errors may be eliminated, the following instructions are offered as the purchaser's guide:

- 1. Write your order clearly, using a typewriter if possible.
- 2. Be sure to list the correct part number. If in doubt as to

the correct part number, state the engine model and serial number, main generator serial number, and excitor regulator serial number of the generator set on which the part is to be used. Part numbers are usually located in various places on the part itself.

- 3. When possible, arrange your purchase order in part number numerical sequence.
- 4. Always specify shipping instructions "Best Way" is satisfactory if you have no preference.
- 5. State your company name and shipping address clearly.

Genuine Cummins Parts mean QUALITY! They're designed and engineered to fit best in your Cummins Diesel. Each part is made of the highest quality material — on the most accurate of machines — by the top craftsmen of the trade.

You can be sure a Genuine Cummins Part will fit better — do the job better — lessen the chances of costly breakdown. When you buy replacement parts, buy quality. Buy Genuine Cummins Parts!
